My name is Teresa Johnson and I am the Weld County 4-H Events Coordinator. I work with the Weld County 4-H Youth Executive Council. This group of young adults coordinates many of the youth events for Weld County 4-H including the Mardi Gras and Fair Dances, Officer Training and many Community Service Events. In addition they also serve as chaperones and counselors at many of the events put on throughout the County and State providing outstanding role models for younger members of 4-H. They further serve their community by providing 3 scholarships totaling \$1500 to graduating Weld County 4-H Members.

Currently the Council is working on fund raising so that they can continue to provide a variety of events and programs for the youth of Weld County. Recently the group decided to add a leadership bootcamp for 4-H members 12-14; to provide this event they will need to work to provide meals, workshops and of course fun events! To accomplish the goals set they plan to host a trivia night at a local restaurant and to sell tickets for the State 4-H truck raffle, the 4-H Youth Executive Council is also seeking contributions from area businesses to help them reach their goals.

4-H is a positive youth development organization that empowers young people to reach their full potential. A vast community of more than 6 million youth and adults working together for positive change, 4-H enables America's youth to emerge as leaders through hands-on learning, research-based 4-H youth programs and adult mentorship, in order to give back to their local communities.

I hope that you will be able to support this group of hard working youth, please don't hesitate to call me with any questions.

Thank You for your consideration
