

Dear High School Seniors and College Students,

Weld County Farm Bureau is pleased to announce their scholarship program for 2022. The program was established to support the future of agriculture by recognizing and rewarding three deserving high school seniors and two deserving college students with a scholarship of \$1000.

Two seniors and two college students must plan to continue their education in an agriculture related field of study. One senior may plan on an agriculture related Vo-Tech field of study.

Applicants must be Weld County residents. The applicants whose parents, grandparents, or legal guardians are current members of Weld County Farm Bureau will have precedence.

Applications are available from Weld County high school counselors, FFA Advisors, 4-H Leaders, Farm Bureau Collegiate Advisors or by calling Lola Mundt at 970-454-1772 or email lolajmundt@outlook.com.

Please send completed applications and supporting credentials to the address at the bottom of this letter. Applications must be postmarked by April 1, 2023.

An impartial selection committee composed of Weld County Farm Bureau board members will select the recipients. In evaluating the applicants, the committee will consider all areas covered by the scholarship application. All applicants will be notified of the results.

Sincerely,

Lola Mundt
Weld County Farm Bureau Secretary/Treasurer
