

2024 Horse Project Packet

Your Guide to the Weld County 4-H Horse Project

Welcome to the 2024 Weld County 4-H show season. The information in this Horse Packet will help the member successfully complete their 4-H Horse Project. If you have any questions, contact the individuals below or any appropriate resource listed on the back page. Your tips for success:

- Please review and be familiar with information contained in this packet
- Any updates will be published in the Weld County 4-H Newsletter either accessed at **www.weld4h.org** or through special member mailings, emails and Facebook updates
- Online resources are available with updated information, downloadable forms and the latest horse events and clinics:
 - CSU Equine Extension web site at **www.colorado4h.org**

What's *New in 2024* ...

ALL HORSES MUST BE ID'D BY MAY 1 IN 4-H ONLINE, THERE ARE NO CARRY OVERS FROM PREVIOUS YEARS IN THE NEW SYSTEM.

Negative Coggins test – VERY IMPORTANT, READ BELOW!

All project ID horses must turn in a copy of their **NEGATIVE COGGINS TEST**, valid through 8/1/2024 with their horse ID. This will be uploaded in the “County Use Forms (Horse)” in the Animals / Livestock section of your 4honline.com account. You **MUST ALSO** have your negative Coggins paperwork in hand at ALL county horse project events & at each of the health checks during fair, this can be a paper or digital version. Please check with your vet to get this testing completed before the May 1st deadline.

Discipline Schedule Change:

- **Monday, July 22nd at 10 am: Green Horse, Showmanship, Halter, Western Performance**
- **Tuesday, July 23rd t 7 am: Ranch Horse followed by Timed Events (not to begin before 3 pm)**
- **Wednesday, July 24th at 8 am: English Showmanship and English Performance**

PREMIER EXHIBITOR TEST FOLLOWING LUNCH ON WEDNESDAY JULY 24 (APPROX NOON)

Two handing in Novice division - All Novice riders will be allowed to use two hands in their Novice division classes regardless of the age of horse.

What's Required...

Weld County 4-H/FFA Horse Project ID Requirements

4-H Horse Project members must submit their Horse ID online through co.4honline.com for each of their project horses by **May 1st**. Detailed instructions are found online at www.weld4h.org and in the back of this packet. **Each year**, the age of each identified project horse must be updated to reflect the actual age of the animal. FFA Horse Project members, please contact the Extension Office about how to submit the Horse ID.

Siblings MAY share one project horse. The rule states “Siblings may share one horse as an identified Project Horse as long as this horse is the only horse identified by the family and the siblings do not share the same age division and discipline. (The only way that siblings of the same age can share a horse is, if they are each in a separate discipline). A shared backup horse may also be utilized.” Online identification must include:

- Uploaded color identification photos, one of each side (showing complete horse) & face;
- Copy of one of the following proof of ownership documents: brand inspection paper; breed registration paper in the name of the project member or immediate family member; bill of sale; or signed lease agreement. Note: Lease agreements must be updated every year.
- **NEGATIVE COGGINS.** All project ID horses must have a negative Coggins test valid through 8/1/2024, uploaded in the “County Use Forms (Horse)” in the Animals / Livestock section of your 4honline.com account. You **MUST ALSO** have the negative Coggins test (paper or digital) in hand at ALL County Horse project events and at the daily health checks during fair. Please get this testing completed before May 1st deadline. Coggins tests are valid for 1 year from the test date.

“Back up” horses may be identified and used only if project horse is declared unserviceable.

- ID form submitted Online by May 1st
- Records must be kept on “Back-up” horse by all who identify it, even if not used
- Color photos are uploaded on identification form
- Acceptable proof of ownership
- Please mark “BACK UP HORSE” next to horse’s name
- Include a NEGATIVE COGGINS test valid through 8/1/2024

Use of back up horse:

- Project horse must be declared unserviceable by a veterinarian
- Horse must have been ID’d according to project rules
- Back up horse may be identified by multiple family members but can only be put into use as project horse by 1 family member (ie: siblings may not show the same horse).

Any member that loses their project horse to injury or death & does not have a “back up” horse ID’d cannot replace the animal for the 4-H year except with another animal currently identified for the year.

To complete their project year, the member **MUST** still complete their record book for the project year, even if they have lost their project horse.

If you have any questions or need clarification concerning the use of a back up horse, please contact Kim Eastwood at 970-400-2079.

Primary Care of Livestock

The Colorado 4-H current project recommendation for primary care states “4-H members will provide primary and continuous care of their project animals.” Primary care is defined as the 4-H member making the decisions for and/or providing the care, handling, and training of their animal project a majority of the time. Exemptions to providing primary care must be approved by an Extension agent and Fair Board representative. Animal Care & Housing Forms can be downloaded at www.weld4h.org then click on Projects, then click on “Animal Care and Housing Form” or they can be obtained at the Weld County Extension Office.

Helmet Policy

Colorado State 4-H policy reads: A certified equestrian helmet with safety harness fastened in place is required in, over fences classes and gymkhana events, activities and practice sessions (including the Schooling Equitation Over Obstacles class). It is the responsibility of the parent or guardian of the 4-H member to ensure the headgear worn complies with such standards and is in good condition. The State 4-H office encourages the use of ASTM certified/SEI approved safety helmets in all equine events. Protective headgear may be used in all classes and shall not be discriminated against. Gymkhana generally refers to horseback speed events (timed or un-timed) that do not use livestock. Events that usually fall in this category of include, but are not limited to: barrel racing, pole bending, keyhole and flag race, stake race, rescue race, pony express race, etc. Events that are not intended to be included in the helmet policy are events such as calf roping, team roping, goat tying, and team penning that may be timed but use livestock.

e-Record Project Book

The Horse e-Record Project book is specifically designed for the Horse Project. A new version of the e-Record book is available at <http://co4h.colostate.edu/program-areas/projects/e-records/>. From there, select the appropriate Horse e-Record link for your age group (junior, intermediate or senior). The Horse e-Record book is available in an Excel and PDF format. If you do not have Excel on your computer, you may obtain a free copy of Open Office software for your computer by going to www.openoffice.org and downloading it from there.

Premises ID Required for 2024 Weld County Fair

The Premises ID provides quick and accurate traceability of livestock and locations in the event of an animal health concern, which will help maintain the health of all Colorado livestock. For this program, a premises is defined as a location or site where livestock are born, handled, housed, managed, marketed, processed or exhibited. Premises ID is managed by the Colorado Department of Agriculture. A Premises ID is required to exhibit at the Weld County Fair and Colorado State Fair. If you don't already have a Premises ID, you can obtain one by calling the Colorado Animal ID coordinator at 303-869-9130 or visiting <https://www.colorado.gov/pacific/aganimals/colorado-location-identification-lid-registration-premises>.

Colorado 4-H Horse Project Advancement Levels

. : :: Levels testing must be completed by JULY 1st for County and State Fair entry :: . .

The Colorado 4-H Horse Project Advancement Levels program focuses on individual development of youth through proper care and use of the horse with an emphasis on horsemanship and knowledge of the horse. The 4-H Horse Advancement Levels 1-4 are described in the Horse Project Manual. Study guides are available from the Extension Office or at the Equine Extension web site:

<http://co4h.colostate.edu/program-areas/horse-resources/levels-testing/>

A written test must be taken and passed before the riding test is taken. Separate riding (horsemanship) tests are given for Western, English and Ranch riders. Written tests II-IV are administered through the Extension Office. For a list of current administrators of riding tests, contact the Extension Office or go to the Equine Extension web site.

Weld County Fair Horse Show requirements: All exhibitors must have completed Colorado Horse Project Advancement Level I - Western, (with the exception of Novice Riders) to be eligible to compete in the Western Division, Green Horse Division or the Timed Events Division. Advancement Level I - English, to compete in the English Division. Ranch Horse Advancement - Ranch Horse Level I will be allowed to show in Level I Ranch Horse Division classes at Weld County Fair but will not be allowed to handle a rope from horseback (no swinging rope or dragging logs). Level II - to compete in the Ranch Horse Division of the Weld County Fair Horse Show. The Novice division is limited to horse project members who have attempted, but not passed, Level I written & riding tests. Yearly attempts must be made to successfully pass the Level I Test. First year project members are encouraged, but are not required to attempt Level I. All Novice riders will be allowed to use two hands in their Novice division classes regardless of the bit and age of horse. All Novice classes are performed in at walk-trot.

Please be aware that roping live animals and jumping both require that Certificates of Competency be on file with the Extension Office by the Weld County Fair entry deadline. See a detailed explanation of these requirements on the following page.

Colorado State Fair Horse Show

Requirements: All exhibitors must have completed Colorado Horse Project Advancement Level II to enter and show at the Colorado State Fair. Advancement Level III is required for some classes, please refer to the Colorado State Fair Entry Book.

4-H Horse Levels Workshop
Saturday, March 9
10:30am-3:00pm
4-H Building, Island Grove
please RSVP by 3/1

Come join us for a fun day filled with interactive stations designed to help you with studying for your next Levels Test. From Novice to Seniors, there will be something for everyone! Also a great opportunity for Horseless Horse Project members to find an idea for their next project. Go through all of the stations or just one, it is up to you!

Written tests will be offered at 11am, 12:30pm & 2:00pm. You may sign up to take a maximum of 3 tests on this date.

Be sure to get signed up so that we will have the correct number of tests and administrators available!

No Cost. Registration Required.

Register here:

tjohnson@co.weld.co.us

Horse and Livestock Project Interviews

In a manner similar to interview judging for general and natural resource projects, 4-H & FFA members with livestock projects will go through an interview process as a prerequisite to show at the 2024 Weld County Fair. Watch your newsletter for updates.

Roping / Jumping Certificates

Weld County has a jumping certification program for horse project members who would like to compete in the English Equitation Over Jumps class & the Hunter Hack class at the Weld County Fair. Interested horse project members must contact a Level III or IV Hunt Seat rater or an approved Weld County evaluator to sign off on this certification. We are interested in safety first and foremost and members must use the same horse/rider combination at Fair as they do for the certification process.

Along with the standard roping certificate, Weld County has implemented an advanced roping certification for individuals capable of demonstrating the ability to rope live cattle safely with a non-breakaway honda. Both certificates would allow horse project members to exercise the roping option in the Individual Cattle Work, Cattle Sort and the Ranch Roping classes at the Weld County Fair. Interested horse project members may contact a Level III or IV Ranch Horse rater or an approved Weld County evaluator to sign off on the standard certification. An Advanced Roping Certificate may only be assessed by Wade Shoemaker or Matt Carrol (contact information provided upon request).

We are interested in safety first and foremost and are not emphasizing style at this point but rather the mechanics of roping safely. Members must use the same horse/rider combination at Fair as they do for the certification process.

A copy of both the Roping and Jumping certification forms are included in this packet. Although the form does not indicate it, a fee may be charged at the discretion of the rater or evaluator. For more information contact Kim Eastwood at the Extension Office at 970-400-2079.

Ranch Horse Division

Don't miss out on the ranch horse division at the Weld County Fair! We offer limited classes for Level 1 so most can compete. To participate in this division, you must have passed your appropriate Ranch Horse Level advancement test. The Ranch Horse division demonstrates common chores involved in working cattle and general ranch work. The exhibitor should be able to demonstrate horsemanship and stockmanship skills with a quiet and responsive horse both mounted and on the ground. While classes may have familiar names, be assured that they are quite different from traditional horse show classes. Classes include: Horsemanship, Trail, Steer Daubing, Cattle Sorting, Individual Cattle Work and Ranch Roping.

Roping cattle in the Ranch Horse Cattle Sorting, Individual Cattle Work, Steer Stopping and Ranch Roping classes is an option available only to those exhibitors who have a roping certification on file by July 1st. At Weld County Fair, there is a separate written test for this division which is required to qualify for high point. Refer to the rule book for appropriate tack & attire. Attend the advertised Ranch Roping Clinic to learn about this exciting division!

Teams and Opportunities...

Horse Judging Team

Develop an eye for horses and understand what exactly goes on in the show ring. The State Horse Judging Contest is held in Fort Collins in conjunction with the State 4-H Conference in June. There are opportunities for members of top placing teams to travel to national level contests.

Workouts are every Wednesday, from 6-8PM and held in the 4-H Building at Island Grove Park, Greeley. If you have any questions or would like more information, contact Coach Rachel LeClere at 720-936-6408.

Horse Bowl Team

Come join the Weld County Horse Bowl Team and learn about the horse in a fun setting. This group not only competes in several events throughout the year, they are also active with community service and have a great time getting to know other horse project members!

This team competes in knowledge bowl contests that demonstrate their understanding of equine science and management with a winter/spring contest season. Contact Teresa Johnson 970-302-9040 for more information and details.

Hippology

Very similar to Horse Bowl is the Hippology Contest. It's a fun and competitive setting for youth enrolled in a horse project to demonstrate the breadth of their knowledge and understanding of equine science, and in particular the practical application of this knowledge and skill. A hippology contest consists of four phases: judging, written test, stations, and team problem solving. Senior and Junior members are encouraged to join the team. For more information contact Teresa Johnson 970-302-9040 for more details.

Scholarship for Horse Project Members

Up to four \$500 scholarships sponsored by the Weld County 4-H Horse Council are available to eligible applicants who have completed three years of 4-H horse project work. Applicant must be an incoming freshman or be actively enrolled in an accredited institution.

Application must be received by March 1, 2024. The application for this scholarship, as well as many other 4-H scholarships can be picked up at the Weld County Extension Office or downloaded from the web site at www.weld4h.org.

Volunteers Needed

From helping at Fair, coaching, clinics or fund raising, we are a

very active group. We believe in a positive attitude that helps our members achieve their goals. Adults and older youth members, the 4-H Horse Program will only be as strong as you make it! To maintain the quality of the program and to meet the needs of project members, we need volunteers!

Contact **Kim Eastwood** at the Weld County Extension Office 970-400-2079 or **Teresa Johnson** Horse Show Superintendent 970-302-9040.

Equitation Program

Did you know that Weld County offers a chance for all project members to ride in a clinic setting at the Island Grove Arena? The following Tuesday evenings are reserved for Project members to participate in workshop style clinics that cover topics from showmanship, western horsemanship and trail to English Equitation and reining. Join us on Tuesday evenings from 6:00pm 8:00pm, as we work with trainers and skilled equestrians. Horse Project members to improve our skills, get to know other showmen and get our horses out into the “Big Arena”.

Project horses should only be ridden by the horse project member. Adults and/or trainers may assist if safety concerns are evident.

Also available to all members is a Ranch Roping Clinic. Roping Certificate testing will be available prior to cattle work.

DATE**EVENT**

9-Mar	4-H Horse Levels Workshop 10:30-3:00pm 4-H Building @ Island Grove

6-Sep	Completed Record Books due to the Extensioin Office for judging

Jumping Certification

Turn in to the Extension Office by July 1

Your selected evaluator/rater may require compensation for performing this certification.

Rider's Name: _____ Phone: _____

Address: _____ Date: _____

City State Zip

Horse's Name: _____

I _____ certify that this member and horse have received previous jumping
(Parent or Guardian Signature)
training necessary to SAFELY be evaluated by the instructor.

Name of Evaluator/Rater certifying: _____

Rider must demonstrate ability to ride a jump course safely, with good balance and proper position, and control of horse. Completion of this certification is required for riders entering Hunter Hack and English Equitation over Jumps at the Weld County Fair Junior Horse Show.

****Rider must jump at Fair riding the same horse ridden for certification****

Jumping ability must be shown by completing the following exercises:

1. Trot over 2 or more poles placed on the ground approximately 4* feet apart with one 18" jump placed approximately 8* feet from the last pole; circle and repeat exercise.
2. Trot over 2 or more poles placed on the ground approximately 4* feet apart with two 2-foot jumps placed approximately 8* feet from the last pole; circle and repeat exercise.
3. Trot or canter a course of six 2-foot jumps, including an entry circle, turns both left and right before and after a jump, at least 2 lines of jumps placed 60 feet apart, and an exit circle. (If only 2 jumps are available, set jumps 60 feet apart. Rider jumps this line three times, turning once to the right and once to the left.)

Required Skills: _____ **Score:** _____

1. Control of horse approaching jumps _____

2. Control of horse after completing jumps _____

3. Correct balance over jumps _____

4. Correct balance on turns _____

*Adjust distances between poles and/or jumps to fit horse's stride.

Rate rider's performance from 1 to 10. Average of 8 required for certification.

I hereby certify that I have observed the above rider completing the required jumping exercises, and that the rider is capable of jumping a course of jumps.

Signature of Evaluator/Rater _____

Roping Certification

Turn in to the Extension Office by July 1

Your selected evaluator/rater may require compensation for performing this certification.

Rider's Name: _____ Phone: _____

Address: _____ Date: _____

City State Zip

Horse's Name: _____

I _____ certify that this member and horse have received previous roping
(Parent or Guardian Signature)
training necessary to SAFELY be evaluated by an approved evaluator/rater.

Name of Evaluator/Rater certifying: _____

Rider must demonstrate ability to rope live cattle safely with a breakaway honda. Rider must demonstrate good technique, ability to rate and track the animal, rope the animal with a head or horn loop, dally correctly (1 1/2 turns), slow or stop horse and safely release dally while maintaining control of their horse. Completion of this certification is required for riders exercising the roping option in the Ranch Horse Cattle Sorting and Ranch Horse Individual Cow Work classes at the Weld County Fair Junior Horse Show.

****Rider must rope at Fair riding the same horse ridden for certification****

Roping ability must be shown by completing the following exercises:

1. Rider must demonstrate the ability to track & rate a cow 100 feet in two directions without building a loop.
2. Rider must repeat #1 while demonstrating the ability to build a loop while handling the rope safely.
3. Rider must rope a cow using a head or horn loop, safely dally and slow or stop their horse, keeping the horse facing the cow to release the breakaway honda. *If member fails to catch additional attempts will be at the discretion of the evaluator/rater. If member is unsuccessful at subsequent attempts they have the option of using a solid object to demonstrate the elements described in #3.*

Required Skills: _____ **Score:** _____

1 . Control of horse while tracking & rating cow _____

2 . Control of horse while building a loop _____

3. Riders ability to safely build a loop _____

4. Riders ability to safely throw a loop, dally, slow or stop their horse and release breakaway honda

5. Control of horse while throwing a loop, dallying and releasing breakaway honda

Rate rider's performance from 1 to 10. Average of 8 required for certification.

I hereby certify that I have observed the above rider completing the required roping exercises and that the rider is capable of roping live cattle with a breakaway honda.

Signature of Evaluator/Rater _____

ADVANCED Roping Certification

Turn in to the Extension Office by July 1

*Your selected evaluator/rater may require compensation for performing this certification.
Approved Evaluators for the Advanced Roping Certificate are Wade Shoemaker & Matt Carroll
For appointment contact: wade@csidevet.com or mcarrollex@yahoo.com*

Rider's Name: _____ Phone: _____

Address: _____ Date: _____

City State Zip

Horse's Name: _____

I _____ certify that this member and horse have received previous roping
(Parent or Guardian Signature)
training necessary to SAFELY be evaluated by an approved evaluator/rater.

Name of Evaluator/Rater certifying: _____

Rider must demonstrate ability to rope live cattle safely with a non-breakaway honda. Rider must demonstrate good technique, ability to rate and track the animal, rope the animal with a head or horn loop, dally correctly (1 1/2 turns), slow or stop horse and safely release dally while maintaining control of their horse. Completion of this certification is required for riders roping with a non-breakaway Honda in the Ranch Horse Cattle Sorting, Ranch Horse Individual Cow Work or Ranch Roping classes at the Weld County Fair Junior Horse Show.

****Rider must rope at Fair riding the same horse ridden for certification****

Roping ability must be shown by completing the following exercises:

1. Rider must demonstrate the ability to track & rate a cow 100 feet in two directions without building a loop.
2. Rider must repeat #1 while demonstrating the ability to build a loop while handling the rope safely.
3. Rider must rope a cow using a head or horn loop, safely dally and slow or stop their horse, safely control & position horse once dallied. *Member must make a catch to successfully pass the advanced roping certification.*

Required Skills:

Score: _____

1. Control of horse while tracking & rating cow _____

2. Control of horse while building a loop _____

3. Riders ability to safely build a loop _____

4. Riders ability to safely throw a loop, dally, slow or stop their horse and animal.

5. Control of horse and position of horse & animal while dallied

Rate rider's performance from 1 to 10. Average of 8 required for certification.

I hereby certify that I have observed the above rider completing the required roping exercises and that the rider is capable of roping live cattle with a breakaway honda.

Signature of Evaluator/Rater _____

WELD COUNTY LEASE AGREEMENT

4-H HORSE CLUB PROJECT MEMBER

This lease made this _____ day of _____, year _____, between
the owner (lessor) _____,
and the lessee(s) _____.

I: WITNESSETH

The owner hereby leases to the lessee, the following equine, a _____ named
_____ sired by _____,
foaled by _____ on _____ (date). This horse will only
be leased to the above lessee, no one else can lease it during this lease period.

II: PURPOSE OF LEASE

The sole purpose of this lease is to provide the lessee with this animal for his/her express use in his/her 4-H Horse Project. This intended use includes the following activities:

III: TERMS OF LEASE

Except under circumstances noted in Section VIII and Section IX, this lease is binding on all parties
_____ (date) This lease is non-renewable except on express written agreement of the
parties. No oral modification of this lease will be binding on either party, any modification of this lease must be
in writing and signed by both parties. All representations made are set forth in this lease, all other
representations merged into this lease.

IV: RENTAL TERMS

The lessee agrees to rent this animal from the lessor for the term of this lease for the total sum of _____
dollars payable as follows: 1. A lump sum payment due on _____ (date) or, 2. _____ dollars
payable on the first day of every month for _____ months or other terms

(All lease agreements must be at least 9 months in length and must be renewed each year.)

Any monetary, or other awards or compensation arising from the lessee's use of this horse in his/her 4-H Horse Project or related activities will belong solely to the lessee.

V: The lessor and lessee agree to the following concerning the ownership of foal of this project and brood Mare, if applicable:

VI: LESSEE'S RESPONSIBILITIES

A. Care and Maintenance of the Animal

The lessee agrees to feed, care, exercise, and otherwise maintain the well being of this animal in a responsible manner over the term of this lease. Certain expenditures associated with the ownership and use of this animal will be borne by lessor and/or lessee as specified below.

1. Veterinarian and drug expenditures in excess of _____ dollars

2. Breeding Fees _____

3. Insurance covering death or injury to animal will be carried by _____

4. Insurance covering damages horse and/or rider may inflict on others will be carried by _____

5. Other: _____

All other care and maintenance costs will be borne by the lessee.

B. The lessee agrees to return this animal to the lessor within five (5) days of the termination of this lease, unless otherwise mutually agreed.

VII: LESSOR RESPONSIBILITIES

The lessor guarantees that the animal subject to this lease is serviceably sound and as represented to the lessee with respect to bloodlines, age, health, temperament and training, with the following noted exceptions:

Misrepresentation of this animal on part of the lessor unless adjusted to the satisfaction of the lessee shall be sufficient cause for termination of the lease and seeking of damages.

VIII : RESOLUTION OF DIFFERENCES BETWEEN PARTIES

In the event that differences between lessor and lessee cannot be settled through discussion and mutual agreement, then failure or refusal by either party to carry out any material provision of this lease shall give the other party the right to terminate this lease. In addition, the right to compensation for damages suffered by reason of such breach.

Differences that cannot be resolved by mutual agreement shall be subjected to arbitration at the request of either party. Arbitration can be performed by a disinterested person mutually agreeable to lessor and lessee or by an arbitration committee, one selected by each party hereto, and the third by the two thus selected. The decision of such arbitration shall be binding on both parties.

IX: TERMINATION OF THE AGREEMENT

Termination of the agreement can be accomplished by mutual consent of lessor and lessee, otherwise termination will become effective five (5) days after either party has furnished the other party with written notice specifying the delinquency and election to terminate has been served on the delinquent party, unless either party has requested that the matter be subjected to arbitration or the delinquent party has corrected the delinquency.
