

Dear High School Seniors and College Students,

Weld County Farm Bureau is pleased to announce their scholarship program for 2024. The program was established to support the future of agriculture by recognizing and rewarding deserving high school seniors and college students who plan to continue their education in an agriculture related field of study. Scholarships of \$1000 are available.

Applicants must be Weld County residents. The applicants whose parents, grandparents, or legal guardians are current members of Weld County Farm Bureau or are members in their own right, will be given higher priority.

Applications are attached.

Please send completed applications and supporting credentials to the address at the bottom of this letter. Applications must be postmarked by April 10, 2024.

An impartial selection committee composed of Weld County Farm Bureau board members will select the recipients. In evaluating the applicants, the committee will consider all areas covered by the scholarship application. All applicants will be notified of the results.

Sincerely,

Weld County Farm Bureau
