A reconstructed fort stands almost exactly where the original was built. And now, you can tour the replica fort, as well as the museum and visitor center, also located on site. WILD ANIMAL SANCTUARY

The Sanctuary's two primary missions involve rescuing and caring for animals - and educating people about the Captive Wildlife Crisis.

The Sanctuary is not a Zoo and offers a completely different experience. Our rescued animals live in large open habitats and are not forced to be front-and-center just so people can see them easier. Our elevated walkway is more than 1.5 miles long and spans across numerous natural habitats, so there are plenty of opportunities for guests to see many of the rescued animals closer.

General Entry Cost Information:

- Adults (ages 13 to 69) - \$30 per person
- Children (ages 3 to 12) - \$15 per child
- Children (under 3) - Free

DAYS: The Wild Animal Sanctuary is open daily for visitors except for major holidays

HOURS: 9:00 AM to Sunset each day

Please check website for directions, GPS does not work.
